

KANSAS CITY TERMINAL RAILWAY COMPANY

GENERAL ORDER NO. 12

July 1, 2020

ALL CONCERNED:

PTC territory is specified in the Greater KC Operating Instructions, KCT Insert.

Effective 09:00 hrs on Thursday, July 2nd, 2020, Norfolk Southern Trains may operate in PTC territory with PTC cut in.

Only AMTK, BNSF, CP, KCS, NS, and UP trains are authorized to cut in PTC. All other train movements will not cut in PTC, unless authorized by KCT Director of Transportation.

If a train is initialized with PTC on the KCT, they do not need to verify with the KCT Dispatcher what Daily Operating Bulletin they used to initiate with.

However, any Relief crews that relieve trains enroute to KCT must verify what DOB they are operating on regardless of PTC Status.

Trains who are not active with PTC on the KCT will need to continue to verify the DOB number with the KCT Dispatcher.
